# WHY INVEST IN CANADIAN NORTH RESOURCES INC.

## TEAM

Experienced, seasoned, and dedicated.

## ASSET

Large palladium, platinum, rhodium (PGM) plus copper, nickel, and cobalt (Base Metal) project in Canada.

100% ownership of contiguous 96.9km<sup>2</sup> mining leases.

C\$140+ million expenditures in exploration and metallurgical tests.

## POTENTIAL

World-class resource potential.

High-potential PGM and Cu-Ni-Co resource growth and discoveries over >15 km of target zones along mineralized horizon.

Moving on to development.

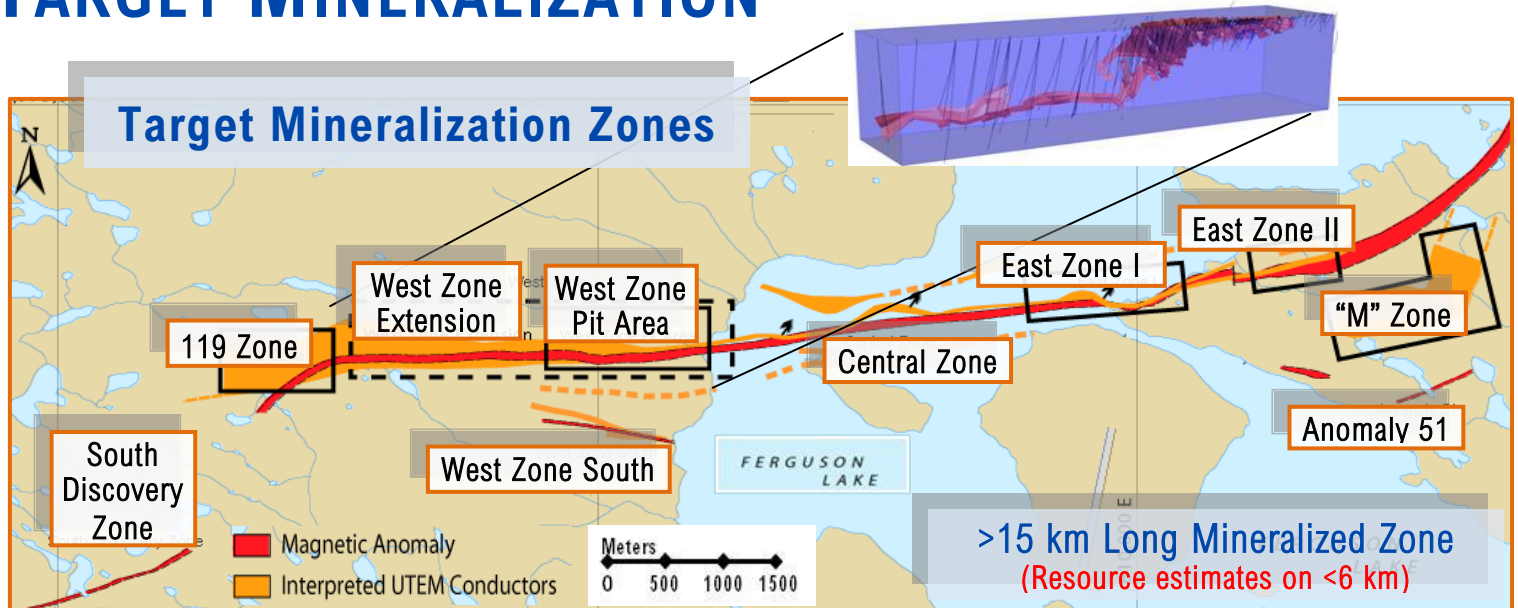

## FINANCE

Strong shareholder support.

Well funded.
